

## Exhibit C2

- **New transfers made by non-accredited investors in the United States will be held in their new Custody accounts and will not earn rewards.** Non-accredited investors can continue to swap, borrow, and transfer within their Custody accounts based on their local jurisdiction.
- **Verified accredited investors, or users with more than \$2 million in their Celsius account will be able to add new coins into their Earn accounts, where they will continue to earn rewards.** Please reach out to your account manager about how to become an accredited investor, or read more.
- **All coins posted as collateral against a loan that is opened prior to April 15, 2022, will be returned to their Earn accounts when the loan is repaid.** Those coins will resume earning rewards for as long as they remain in their Earn accounts.
